An absolutely rare find!! Magnificent panoramic views from on top of the Escarpment. This 234 acre property offers loads of hardwood (Birch, Oak, Maple), great hunting, and a tranquil recreational setting to build your off grid cabin in the woods. Amazing four season views; great fall colours and a winter wonderland. Enjoy the benefits of an unorganized township, low taxes, and no building permits required. Currently, access is a seasonal road over crown land to a recently installed unassumed road along an unopened road allowance which leads directly to the property. Call for further information.
