You won't want to leave this amazing spot but there is much more to explore. The granite stairs & walkway lead you to the 6 bdrm, 5 bth main cottage with stunning views from all 3 storeys to the west & north. You may have a difficult time choosing an area to sit & enjoy the scenery, taking it all in. The guesthouse has 3 bdrm, 1 bth, open concept living space that also has views to the west & north, is self sufficient with a kitchenette, surrounded by cedar decks providing easy access to the main cottage & main deck area with more breathtaking views. The granite walkway now leads you down to the architecturally designed (Partisans - 2014) Grotto Sauna perched on the shoreline where the stunning views continue even at this vantage point.
