Dreaming of a life where the grass is greener, and the skies are bluer? Look no further! Nestled on a sprawling 185-acre canvas of pure wonder, this enchanting farm is ready to paint the portrait of your perfect countryside escape. Immerse yourself in nature's artistry as you roam through acres of rolling hay fields and picturesque horse pasture. Explore the perfect mix of woods and open fields that embrace a meandering river like an old friend. A unique waterfall splashes with a joyful rush, inviting you to be swept away, take a refreshing plunge, or cast a line. And that's not all—the adventure continues as the meandering river carries you on a gentle journey, a winding path of discovery through lush landscape on both sides of the riverbank. This is truly a natural treasure. This idyllic scene is straight out of a magazine. When the spring whispers through the air, a maple tree grove awaits, perfect for crafting your own maple syrup. The traditional barn has seen recent structural improvements, ready to house your cherished livestock. Imagine the possibilities for your pleasure animals or working farm livestock. Entrepreneurs, take note! The barn's massive upper hay loft is more than just a cozy home for winter sustenance—it's a canvas for your creative
