It doesn't get more authentic than this!
Welcome to your own little, red, 3 season cabin in the woods! Private but not isolated. Just steps to Mary Lake public boat launch and swim area. Put your boat in for all day enjoyment and take it out in the evening and park it on your lot just meters away. Less than 10 mins to downtown Huntsville! Stunning views of Mary Lake from the granite rock cut behind the cabin. Rocks continue to give privacy along the west side of the property where North Mary Lake Road is. Enjoy a campfire between the cabin and new outhouse for ease of use. A brand new deck welcomes you as you approach the cabin. Inside you will take a trip back in time with the rustic ambiance of real wood, picture frame windows, an eat-in kitchen and newly tiled shower. Toilet is composting and a back up cistern for water sits behind the cabin. Canoe or kayak to Muskoka Bible Conference just left of the boat launch. Cliff jumping, Port Sydney Beach & rapids, and Zanetti's General Store for ice cream are all a short boat ride away. Mary Lake is a desirable area and this property won't last long! (id:49587)
