Strong Township - Must be sold with MLS #40482637, which abuts property and fronts on Hwy 11. Take a drive up past Muskoka about an hour and you will find some gorgeous, pristine, partially treed property that borders Sterling (Stirling) Creek. The 61+ acres are remote, and difficult to access, hence the very low asking price. This would be a beautiful property to escape to. It is difficult to access because it does not border a road and the only access allowed at the present time by the township, is by foot. The property is adjacent to another parcel for sale, that borders Highway 11 on the southbound side. Properties that are natural and gorgeous like this one deserve to be protected and Strong Township has done just that. Reserve a pristine future for yourself and hold on! (id:49587)
